

GOVERNMENT OF INDIA (भारत सरकार)
MINISTRY OF RAILWAYS (रेल मंत्रालय)
RAILWAY BOARD (रेलवे बोर्ड)

No. 2024/CE-IV/RSP/New Vertical

Dated: 17.12.2025

**The General Managers,
All Indian Railways.**

Sub: Reiteration of instructions regarding execution of Road Safety Works through CAO/Con/RSP vertical – reg.

Ref: (i) RB letter 2024/CE-IV/ROB-RUB/SCR, WR, ECR&NR dt: 07.05.24
(ii) RB letter No. 2015/CE-IV/Misc./Review Meeting dt:20.11.25

Vide reference (i) above a new vertical of CAO/Con/Road Safety Projects (RSP) was introduced in Railways to keep pace with the increased sanction and execution of ROB/RUB works under Plan Heas-30.

A review meeting was held on 17.11.25 with all CAO/Con/RSPs in Railway Board (Minutes issued vide reference (ii) above). During the meeting, a few issues related to proper functioning of CAO/Con/RSP units have come to notice:

- a) Lack of adequate number of officers/Supervisors.
- b) Lack of assistance from Design office.
- c) Non-allotment of Road safety works to CAO/Con/RSP units.

While bulk of the work of CAO/Con/RSP units is to be done by GC/PMC/PSSAs, minimum Officers/Staff and design support are required for Railways' obligatory roles such as design checks, material management, test checks etc as per laid down policy.

It is requested that a review may be carried out and clear cut instructions may be issued especially in respect of Para 5 of Annexure-I of reference (i) to CAO/C and/or PCE for providing design related assistance to CAO/Con/RSP units so that Road Safety Works are executed in a focused, time-bound and quality-oriented manner.

(Alok Tiwari) 17.12.25

Principal Executive Director/Bridge
Railway Board

Copy to: All PCEs, CAO/Cs & CAO/Con/RSPs – for information and necessary action.
