

(भारत सरकार) GOVERNMENT OF INDIA
(रेल मंत्रालय) MINISTRY OF RAILWAYS
(रेलवे बोर्ड) RAILWAY BOARD

No. 2017/CE-IV/RUB/88

New Delhi, dated 08.05.2024

General Managers,
All Zonal Railways.

Sub:- Provision of Red line along with Warning board/Notice board at subways/LHS/RUBs.

Ref: Railway Board's letter no.2017/CE-IV/RUB/88 dated 06.04.2022

Many incidents of water logging in Subways/LHS during rainy season have been reported, which leads to public inconvenience and complaints. On this account railways have been facing severe criticism from public and their representative.

Vide above referred letter, guidelines regarding "prevention of water logging" were issued. It was also advised to establish a system to warn the road users in case depth of water rises about 50Cm or any other level decided by DRM along with provision of vertical gauge at both the approaches.

In addition to above, it is decided that a minimum 300mm wide red line (preferably with Retro reflective paint) along with warning board on the approach walls of RUB /LHS should be provided. If RUB/LHS is provided with cover shed , additional hanging warning board as shown in the drawing may also be provided. Similarly, a Notice board depicting name & mobile no. of Railway officials to be informed/contacted in case of water logging /emergency should also be provided at the start of approach. Drawing showing locations of redline and content/location of warning/notice board is enclosed herewith for information and necessary action please.

DA: As above

(Hemant Kumar)
Director/CE (B&S)-II

Copy for information and necessary action to:

1. PCEs and CAO/Cs, All Zonal railways for information and necessary action please.
